

Roemer QR Code Reference Card for Mobile Tagging

You are just moments away from being able to test the capabilities that a Roemer Industries, Inc. QR Code will be able to provide for your business.

All you need to access the information embedded in the above QR Code is a high-quality camera phone and the correct reader application.

STEPS:

The below software is free for personal use and is meant solely for illustration purposes.

- Go to www.inigma.mobi on your mobile phone. The mobile barcode reader will automatically identify your handset type, download and install
- To test your new reader scan the QR Code located on the provided sample

Reference to any specific commercial products, manufacturer, or otherwise, does not necessarily constitute or imply its endorsement, and recommendation, by Roemer Industries, Inc. Check with your phone provider to ensure you have appropriate data packages before using the Internet.
